Map / location notes

Heart-Language Check

Purpose: Used during Research to confirm the language, community, and audience before recording.

Check all that apply

- | | |
|--|---|
| ☐ People use this language at home | ☐ This is the mother tongue / heart language |
| ☐ Dialect differences have been considered | ☐ Speaker accent is locally acceptable |
| ☐ Local believers or partners confirmed understanding | ☐ Nearby villages can understand this variety |
| ☐ Sensitive cultural issues have been noted | ☐ Information is confirmed locally, not only from websites |

Notes / concerns

Purpose: Used during Plan to prepare the ministry purpose, people, content, equipment, and distribution plan.
